Sugar Free Box: Our sugar free chocolate is made with the finest ingredients and without all the artificial flavors that are found in most sugar free chocolates.

How can chocolate this good be sugar free?

It starts with the ingredients. We use only the highest quality, natural ingredients from exotic places like Africa, South America and Belgium. We use Premium Belgian Chocolate in all our sugar free chocolates. This is where our chocolate gets its rich flavor and supreme melt-in-your-mouth texture. To get our chocolate sweet without any of the artificial ingredients we use a natural sweetener called Maltitol. Maltitol is a reduced calorie, reduced carbohydrate sweetener that has 90% the sweetness of sugar. Sugar free Chocolate is the perfect solution for people, who are diabetic or are simply health conscious - (120 gms)
