#1
*Most houseplants
are only fed water
and never fed with
nutrients*

THE BIG PROBLEM

THE BIG PROBLEM

#2

*The current
products need
frequent application*

Easy Application

Just insert into your pot and done!

Slow release

Once applied, sticks last for upto 2 months!

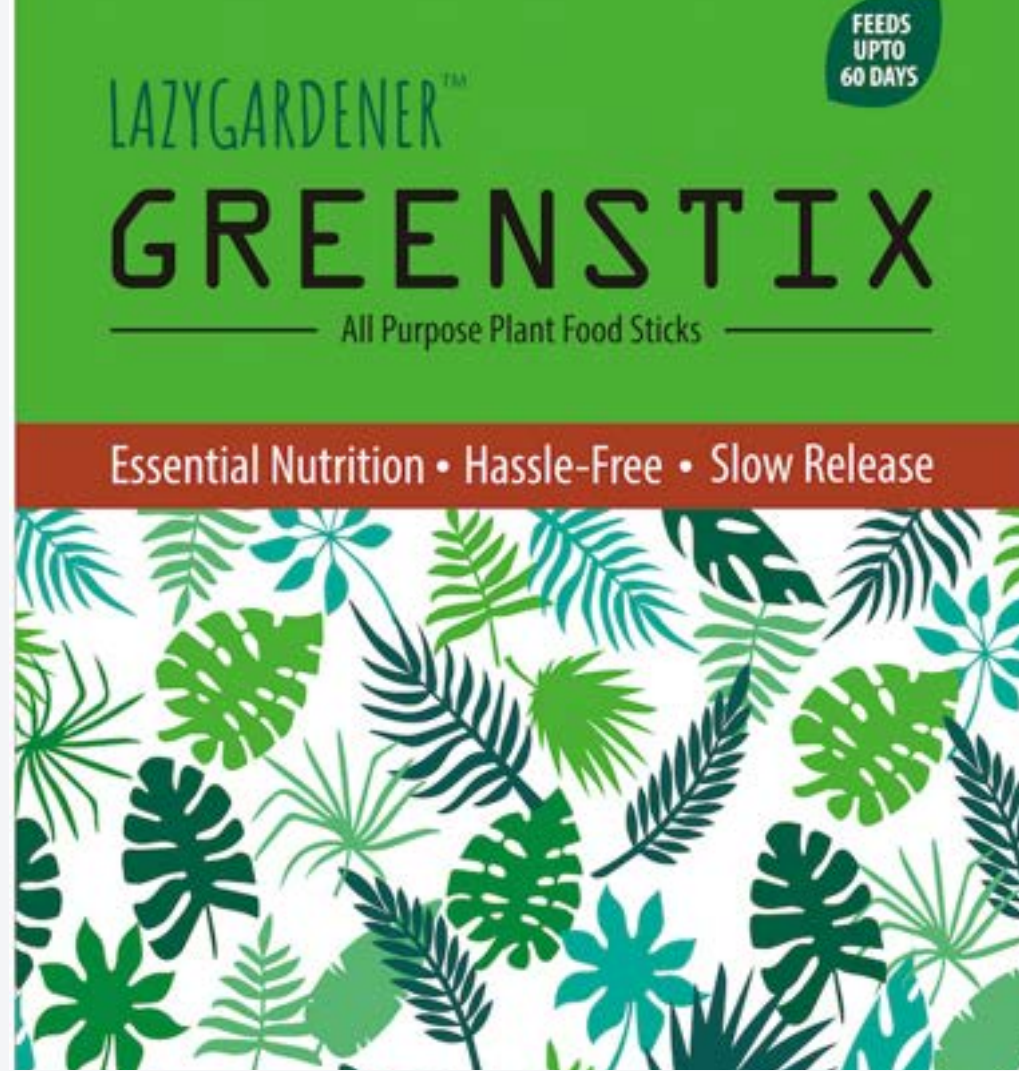

Essential nutrition

Formulated to maintain plant health and enhance blooms

Solution

PRESENTING

LAZYGARDENER™ GREENSTIX

All Purpose Plant Food Sticks

Essential Nutrition
For optimal growth of your plants.

Hassle Free
Mess free. Ideal for home gardeners

Slow Release
Continuous feed for upto 60 days.

HOW TO USE

1. OPEN IT

Measure the diameter of the pot to determine the number of sticks to use (refer table)

2. INSERT IT

Insert a stick in moist soil. Press until fully inserted. Insert other sticks evenly around the plant.

3. FORGET IT

Water plants regularly as usual. Insert new sticks every 45 to 60 days.

Pot Diameter	4 in	6 in	8 in	10 in
No. of Sticks Recommended	1	2	4	6

Useful For

Healthy House Plants

Lush Green Foliage

Green Leafy Vegetables

CONTAINS	Nitrogen (N) 10%	Phosphorous (P) 5%	Potassium (K) 6%
	Nitrogen is essential for leaf growth and lush green colour.	Phosphorus helps develop strong roots and promote flowering.	Potassium helps develop strong stems and fight disease.
Also contains a blend of micronutrients like Boron, Copper, Manganese, Iron, Molybdenum and Zinc to augment a host of plant growth processes like photosynthesis, pigment production, growth hormone production etc.
